

Pest IT Pty. Ltd. is proud to introduce to you a new generation of pest management distribution. Our exclusive range of products includes PestWest Electronics, Killgerm (AF Range™), Mosquito Slayer, Myna Magnet and Bird Barrier Products.

Aiomist® - Innovative hygiene systems. Pest IT can now supply a complete range of pyrethrum and fragrance aerosol dispenser products.
[> read more](#)

Aqua Solutions - Dedicated to providing naturally derived disinfectants, cleaning and insect systems.
[> read more](#)

PestWest - A world leader in flying insect management systems. Pest IT supplies a unique range of discrete, commercial and industrial units for a wide variety of situations.
[> read more](#)

Killgerm - An innovative range of pest control products. The AF Range™ offers an extensive array of devices for monitoring and control of rodents, cockroaches, and stored product pests.
[> read more](#)

Bird Barrier - The leader in humane bird management solutions. Pest IT continues to supply and support Australia's leading range of professional bird management products including the industry standards such as Bird Barrier Spikes, Bird Shock Flex-Track™, StealthNet, BirdCoil, BirdSlide and more.
[> read more](#)

MediDRAIN - A new generation drain seal for commercial and domestic floor wastes and shower drains. It combines clever design with breakthrough anti microbial technology to stop the entry of crawling insects, fermentation flies and odours entering facilities via drains.
[> read more](#)

Eagle Eye™ - The latest development in deterring birds from open areas. Birds are disoriented and irritated by reflected light beams that flash at various angles from a rotating Eagle Eye™ unit.
