

THE BUG VAC

Integrated Pest Management Vacuum

Immediate Containment

HEPA or **ULPA** Filter Cartridge

The Omega IPM vacuum is made from a high-impact Diamond ABS Polymer for durability and long life. It comes complete with all accessories shown above. It also features over-heat protection.

Filtration - A self contained **HEPA** filter cartridge reduces the risk of virus and bacteria dispersion. Most odours are contained. The cartridge filter makes filter changes easy, clean, and safe.

Powerful and Quiet - Will capture everything from cockroaches to bed bugs. The 483mm flexible wand is pliable and will fit into hard to reach places.

3 year limited warranty.
